

# Masconomet High School Boys Hockey Business Advertisement at the Hockey Rink

Dear Business Owner,

## ADVERTISE YOUR BUSINESS WITH A HIGH-END VIBRANT DASHBOARD PANEL.

### Dasherboard Panels (inside Hockey Rink...the 'boards')

Dasherboard panels provide premier branding opportunities for sponsors. In order to ensure that your message is seen by all guests of the arenas, our 3'X8' dasherboard panels are displayed on the opposite side of the ice. This way, your brand, logo and message will be visible to all area guests during a game. We also have a premier space available on the outside lobby-facing corners of our rinks.

Haverhill Valley Forum Rink: approximately 56 games/in-season weekend; 800 seats + glass-enclosed mezzanine level, 250 teams and 5,000 players per season. Or the Lawrence Rink: approximately 28 games/in-season weekend; 500 seats

You will be directly helping students of the Masconomet Boys Hockey Team.

Thank you for your support,

Masconomet Boys HS Hockey Boosters
